

Welcome to PaySpyre! Now that you have signed up for our services, what happens next?

Onboarding Process: Estimated completion 2 weeks. Completion times indicated below are estimations and contingent upon your availability and participation.

1) Discovery Call

The process starts with a discovery call to understand your business and your financing requirements, goals, specifications, and customizations. This information will form the base on which we create your finance program and will help ensure we design the credit products to satisfy your unique needs.

- Audience: Business owner & appropriate staff (*at owners' discretion*).
- Resources: PaySpyre Discovery Form
- Duration: 30 – 60 mins (*as needed*)

2) System Set-up & Program Design Begins

Following the discovery call, PaySpyre begins work on system set-up: including vendor & user account creation, creating your customized finance credit products and other support materials.

- Completion: 2 weeks from Discovery call

3) Training Call – How to Present Financing

The Financial Conversation, the goal of this call is to assist in understanding effective ways to discuss financing with your patients. Understanding common objections and how to address them. Review potential current finance patients or recent patients that have turned down treatment based on affordability. Understanding the difference between cost objections and affordability objections and share tips and best practices.

- Audience: Business owner & appropriate staff.
- Resources: Examples of your treatment plans (past & present) that could benefit from financing
- Completion: Mid to end of week 1
- Duration: 30 – 60 mins (*as needed*)

4) Sandbox Server Access

PaySpyre provides you with user access to the sandbox server.

- Completion: End of week 1

5) Training Call – How to Process Finance Applications

You have patients that are interested in completing treatment and want financing, awesome! ... Now, what? This training session will introduce you to PaySpyre's sandbox server and guide you through the system process from initial financing term discussion to submitting the application for verification and review.

- Audience: Business owner (*optional*) and staff that will have system access.
- Resources: PaySpyre's sandbox server
- Completion: Beginning of week 2
- Duration: 30 – 60 mins (*as needed*)

6) Sandbox Application Creation & Submission

With access to PaySpyre's sandbox server you can explore the system, create, submit, and activate as many applications as you like. It is a finance playground where you have no worries of making mistakes or breaking things. It will allow you to get comfortable with the system and finance process. If you get stuck, we are here to help!

- Audience: Business owner (*optional*) & staff that will have system access.
- Resources: PaySpyre's sandbox server
- Completion: By end of week 2
- Homework: Submit 5 applications for review and activate them

7) Initial Iteration Program Completed

PaySpyre completes the initial iteration of your finance program and credit products.

- Timeframe: Mid week 2

8) Finance Program & Credit Product Review

PaySpyre has completed the initial iteration of your finance program and credit products. It is now time to review and sign off on them. We will discuss the various aspects of your program and the details of all the credit products created.

- Intended Audience: Business owner & appropriate staff.
- Resources: Vendor credit product sheet
- Timeframe: By end of week 2
- Duration: 30 – 60 mins (*as needed*)

9) Finance Program goes Live!

PaySpyre transfers accepted credit products from the sandbox server to the live server and provides user access. Congratulations your finance program is now live!

- Timeframe: Beginning of week 3

10) Initial Finance Applications

Once you have treatment acceptance and financing is required. Contact us and we will walk you through the process until you are comfortable with it. To start just focus on three things:

- 1) Treatment acceptance
- 2) Down payment (how much can they pay upfront?)
- 3) Monthly payment (what is a comfortable monthly payment for them?)

That is, it! We will help you work out the rest.

11) Scheduled Follow-up Calls

Monthly follow up calls for the first 6 months to discuss challenges, objections, anything regarding your finance program. After the first 6 months we can decide together on the frequency of on-going follow-up calls.

- Intended Audience: Business owner and appropriate staff.
- Timeframe: On-going, frequency adjusted as needed
- Duration: 15 – 30 mins (*as needed*)
